

CHHATTISGARH SWAMI VIVEKANAND TECHNICAL UNIVERSITY, BHILAI

For Practical Examination Only

Session: Nov-Dec 2021 Examination

Name of Examination: B.TECH, REGULAR Semester: 3<sup>rd</sup> Date: 01/04/2022  
Subject Code: B022 323 (022) Subject Name: Operating System Laboratory (U.P.IV)  
Name of Student: Vom Sai Nageshwar Sharma  
Roll No. of Student: 3033 0222 0020 Enroll No: B54599  
Name of the Institution: SSIPMT, RAIPUR Institute Code: 033

Name of Experiment Allotted: Write the features of Linux environment, basic Linux Command (echo, who, date, pwd, cd, mkdir, rmdir, ls, cp, mv, rm, cat, more, less, find, tail, head, sort, nl, uniq, grep, egrep, fgrep, cut, paste, join, tee, comm, cmp, diff, tar); also document the syntax and semantics of these commands.

② Write an 'Awk' script to count the number of lines in a file that do not contain vowels.

**INSTRUCTION FOR WRITING EXAMINATION**

- Candidates suffering from any diseases which would render their presence in the Examination Hall undesirable in the interests of other candidates will not be allowed to enter the Examination Hall. In exceptional cases the Centre Superintendent informed by a candidate in advance may make special arrangements.
- The doors of the Examination Hall will be opened half an hour before the examination starts on the first day and 15 minutes before on other days. Candidates are required to sit in their allotted seats 5 minutes before the examination starts. Candidates entering after the start of examination will not be admitted unless specially permitted by the Centre Superintendent. The Candidates shall not be allowed to consult any book or paper either in the Examination Hall or outside.
- Candidates should bring their own pens and mathematical instruments. Candidates should not be in possession of printed manuscripts (other than their Admit Card), books and other documents while in the Examination Hall. Manual communication in the Examination Hall is prohibited.
- Candidates are not allowed to leave the hall until an hour after an examination starts. They should not leave their seats until they have submitted their answer books to an invigilator. Answer books should not be left behind on the desks. It is the duty of the candidate to see that his answer paper is marked by the invigilator. No candidate will be allowed to re-enter the examination hall after once getting it on submission of his answer paper. In case of urgent need however candidate may be permitted by the senior invigilator to leave the hall temporarily and re-enter within 15 minutes. The period of temporary absence should not exceed 3 minutes.
- Candidates are not permitted to talk to each other in the Examination Hall. No one should speak freely from or assist another in any manner.
- Candidates should write the Roll No. and Date on the cover page of their answer book. Candidates are forbidden to write their own name and Code No. of their college in the answer book while answering the questions. Giving a false Roll No. is serious offence and no answer book without the candidate's Roll Number clearly written on the cover page will be evaluated.
- Candidates should not, while in the examination hall, write anything on the question paper or transfer papers or anything else on the wall or any part of the hall or any other part of the examination hall. They should not stop and the question paper for the examination subject throughout the duration of the examination.
- If a candidate is found with any paper not connected with the examination as mentioned in 4 he shall have to surrender it to the invigilator on demand and make a written statement. If necessary refusal to surrender the material or to make a statement shall render the candidate liable to instant expulsion from the Centre of Examination.

Q1 > Write the features of Linux environment, basic Linux command ----- ~~some~~ semantic of those commands.

#1) touch: Create a new file or update its timestamp.

Syntax: ~~too~~ touch [OPTION]...[FILE]

Example: Create empty files called 'file 1' and 'file 2'

\$ touch file 1 and file 2.

#2) cat: Concatenate files and print to stdout.

Syntax: cat [OPTION]....[FILE]

Example: Create file 1 with entered content.

\$ cat > file 1

Hello

^D

#3) ~~cp~~ cp: Copy files.

Syntax: cp [OPTION] source destination

Example: Copies the contents from file 1 & file 2 & contents of file 1 is

retained  
\$ cp file 1 file 2

Pg. No. → 1

#4) mv: Move files or rename files

Syntax: mv [OPTION] source  
destination.

Example: Create empty files  
called 'file 1' and 'file 2'

\$ mv file 1 file 2.

#5) rm: Remove files and directories

Syntax: rm [OPTION]... [FILE]

Example: ~~Detete~~ Delete File 1

\$ rm file 1.

#6) mkdir: Make directory

Syntax: mkdir [OPTION] directory

Example: Create directory called  
dir 1

\$ mkdir 1.

#7) rmdir: Remove a directory.

Syntax: rmdir [OPTION] directory.

Example: Create empty files called  
'file 1' and 'file 2'.

\$ rmdir dir 1.

#8) cd: change directory

Syntax: cd [OPTION] directory

Example: Change working directory to dir1.

\$ cd dir1.

#9) pwd: Print the present working directory.

Syntax: pwd [OPTION].

Example: Print 'dir1' if a current working directory is dir1.

\$ pwd .

Q2 > Write an 'Awk' script to count the number of lines in a file that ~~don~~ not contain vowels.

```
#!/bin/bash
```

```
echo "enter file name"
```

```
read file
```

```
awk '$0!~/[aeiou]/{count++}'
```

```
END { print "The number of lines  
that does not contain  
vowels are: ", count }' $file
```

AWK operations:

- 1.) Scans a file Line by Line.
- 2.) splits each inputs line into fields.
- 3.) Compare input line / fields to pattern.
- 4.) Performs action on matched lines.

Q27

Output :

V.Om Sai @ V.Om Sai - Virtual Box : ~ \$ cat  
- m sample

1. DBMS
2. PYTHON
3. JAVA
4. SQL

V.Om Sai - Virtual Box : ~ \$ ./Proj40.sh.

"Enter file name"

Sample

The number of lines that does not  
contain vowels are : 2

V.Om Sai @ V.Om Sai - virtualbox : ~ \$ □
